RE: Recommendation letter for GIHOZO Josephine

I, M. Adama DOUAMBA, a lecturer in Business Administration and Finance at Institut Supérieur de Technologie Burkina Faso, have had the opportunity to teach Ms. **GIHOZO Josephine** in the Bachelor's program since February 2020. she studied a wide range of modules and consistently demonstrated strong academic performance. her attendance was excellent, and she was always a hardworking and dedicated student. she has made remarkable progress in her studies, demonstrating independence, strong learning abilities, and determination. her communication skills are excellent, both in academic writing and oral presentation.

On a personal level, I have found she to be a talented, amicable, and conscientious individual. It is a pleasure for me to support her academic progress.

I would highly recommend Ms. **GIHOZO Josephine** for a Master's level scholarship. This recommendation reflects my assessment of how she would perform in her advanced studies. I firmly believe that she will be a valuable student in research and other academic activities at your university. I would also appreciate any support provided to her to facilitate her studies in your country.

Please accept the assurance of our highest consideration.

Adam
