RE: Recommendation letter for GIHOZO Josephine

I, Professor Amade BADINI, a lecturer in Business Administration and Finance at Institut Supérieur de Technologie Burkina Faso, have had the opportunity to teach Ms. **GIHOZO Josephine** in the Bachelor's program since February 2020. she completed a variety of academic modules and consistently demonstrated strong academic performance. her attendance was excellent, and she was always a diligent and hardworking student.

she has made significant progress in her studies, demonstrating independence, strong learning skills, and determination. her communication skills are excellent in both academic writing and oral presentation.

On a personal level, I have found she to be a talented, amicable, and conscientious individual. It is a pleasure for me to support her academic progress.

I would highly recommend Ms. **GIHOZO Josephine** for a Master's level scholarship. This recommendation reflects my assessment of how she would perform in her advanced studies. I firmly believe that she will be a valuable contributor to research and other academic activities at your university. I would also appreciate any support provided to her to facilitate her studies in your country.

Please accept the assurance of our highest consideration.

Yours sincerely

Amade BADINI
